Areas of Focus

Industries

Commercial, Industrial and Services

Michael Terrery is an Analyst in Griffin's Commercial, Industrial and Services Group. He specializes in transactions that span various industries including commercial industrial and services, technology, health care, real estate and restructuring. He is experienced with a wide range of deal execution activities, such as modeling, valuation, coverage, pitching, diligence and presentations. Michael is also actively engaged in both mergers and acquisitions and restructuring transactions across diverse sectors.

Prior to joining Griffin, Michael helped to facilitate risk reporting processes and analyses at JP Morgan Chase.
