Practice

ESOPs – Employee Stock Ownership Plans

Vince advises businesses and their shareholders on a range of transactions, with a particular focus on Employee Stock Ownership Plan (ESOP) transactions. His experience includes handling a range of strategic financial due diligence, obtaining financing for transactions and negotiating on behalf of buyers and sellers.

Prior to joining Griffin Financial Group, he was a Senior Credit Analyst at Chubb Limited. He focused his analysis on publicly traded companies and privately held companies across several industries. Before his time with Chubb, Vince was a Financial Analyst at The Boeing Company where he worked on the V-22 Program's Long Range Business Plan and Forecast.
